## Share Class Naming Convention

As noted in the Prospectus, under the naming convention adopted by the Company in respect of the naming of Share Classes (the “Naming Convention”), the letters set out below have the following significance: Not all combinations of share class characteristics as listed in the table below will be available for subscription, for example “L” and “M” share classes are not available in every Portfolio:

<i>Categories of Investor</i>	
D	These Share Classes will generally have a higher management fee, performance fee and/or a lower minimum subscription amount than other Share Classes in the Company.
I	These Share Classes will generally have a lower management fee, performance fee and/or a higher minimum subscription amount than Share Classes with the “D” designation. “I” Share Classes may only be acquired with the consent of the Manager in the case of investment through the Distributor or Intermediaries that, according to regulatory requirements or based on individual fee arrangements with their clients, are not allowed to accept or retain trail commissions.
<i>Fee Indicators</i>	
Y	These Share Classes may have a different fee structure (as set out in the section of this Prospectus entitled “Portfolio Specific Information – Investment Objectives and Policies of the Man GLG Portfolios” and “Fees and Expenses” a portion of which may be paid to distributors.
X	These Share Classes will generally have a lower management fee, performance fee and/or a higher minimum subscription amount than Share Classes with the “D” or “I” designation.
XX	These Share Classes will generally have lower management fees, performance fees and/or higher minimum subscription amounts than Share Classes with the “D”, “I” or “X” designation.
F	These Share Classes are intended for early and seed investors into the relevant Portfolio and further details of their availability is set out in the “Subscriptions” section of this Prospectus, as required.
U	These Share Classes may have a different fee structure as set out in the tables in respect of the relevant Portfolio in the sub-sections of the relevant Supplement headed “Portfolio Specific Information – Management and Performance Fees”. These Share Classes may be limited to certain investors, either by region or type, at the Investment Manager’s discretion.
W	These Share Classes may have a different fee structure as set out in the tables in respect of the relevant Portfolio in the sub-sections of the relevant Supplement headed “Management and Performance Fee”, a portion of which may be paid to distributors. In addition, these Share Classes may also pay an initial sales commission of up to 2% to distributors.
J	These Share Classes may have a different fee structure as set out in the tables in respect of the relevant Portfolio in the sub-sections of the relevant Supplement headed “Portfolio Specific Information – Management and Performance Fees”, a portion of which may be paid to distributors. These Share Classes may also be subject to a CDSC, details of which are set out in sub-section of the Prospectus headed “Redemption, Conversion and Transfer of Shares – CDSC”.
V	These Share Classes may have a different fee structure as set out in the tables in respect of the relevant Portfolio in the sub-sections of the relevant Supplement headed “Management and Performance Fee”, a portion of which may be paid to distributors. In addition these Share Classes may also pay an initial sales commission of up to 5% to distributors.
<i>Hedging Policy</i>	
H	Hedged Share Classes. These Share Classes will be hedged against the Base Currency of a Portfolio where they are denominated in a currency other than the Base Currency.
C	These Share Classes will offer currency exposure, otherwise described as amended currency risk, as explained in the section of this Prospectus titled “Currency Exposure Share Classes”.
<i>Performance Fee methodology</i>	

L	IBOR or Alternative RFR Benchmark Classes. The performance fee in respect of such Classes shall be based on outperformance of the relevant IBOR (ie, USD LIBOR and EURIBOR) or alternative nearRisk-Free-Rates ("RFRs") in place in the relevant currency (ie, GBP SONIA, TONA or such other substitute RFR which may be adopted for the relevant currency in place of IBOR) set out in the "Portfolio Specific Information – Investment Objectives and Policies" section of the relevant Supplement and the "Fees and Expenses" section of the Prospectus, in particular, in the table entitled "IBOR and the Alternative RFRs" in the "L" Share Classes" sub-section.
M	Market/Index Benchmark Classes. The performance fee in respect of such Classes shall be based on outperformance of the relevant market or index set out in the "Portfolio Specific Information – Investment Objectives and Policies" section of the relevant Supplement and the "Fees and Expenses" section of the Prospectus.
N	Non-Benchmarked Classes. The performance fee in respect of such Classes shall be based on aggregate appreciation in the value of the relevant Classes, subject to the provisions in the "Fees and Expenses" section of the Prospectus regarding outperformance of the relevant Reference NAV.
<i>Currency of Share Class</i>	
AUD	Share Classes denominated in the lawful currency of Australia.
CHF	Share Classes denominated in the lawful currency of Switzerland.
DKK	Share Classes denominated in the lawful currency of Denmark.
EUR	Share Classes denominated in the lawful currency of the Euro-Zone.
GBP	Share Classes denominated in the lawful currency of the United Kingdom.
JPY	Share Classes denominated in the lawful currency of Japan.
NOK	Share Classes denominated in the lawful currency of Norway.
SEK	Share Classes denominated in the lawful currency of Sweden.
SGD	Share Classes denominated in the lawful currency of Singapore.
USD	Share Classes denominated in the lawful currency of the United States of America.
<i>Distribution Policy</i>	
Net-Dist	The policy of these Dist Share Classes is to distribute from net income for the relevant accounting period after the deduction of fees, charges and expenses. For the avoidance of doubt net income excludes any realised and unrealised capital gains and losses incurred during a relevant period. Please see the "Distribution Policy" section for more detail in this regard, including the specific naming convention applied to Net-Dist Share Classes.
G-Dist	The policy of these Dist Share Classes is to distribute from net income for the relevant accounting period before the deduction of fees, charges and expenses. The "G-Dist" Classes may deduct fees, charges and expenses from capital and distributions may also include realised and unrealised capital gains. This may result in capital erosion and therefore foregoes the potential for future capital growth. Please see the "Distribution Policy" section for more detail in this regard, including the specific naming convention applied to G-Dist Share Classes.
<i>Distribution Policy</i>	
A	Distributions will be paid annually within 4 weeks of the last day of the year
BA	Distributions will be paid bi-annually within 4 weeks of 30 June and 31 December respectively
Q	Distributions will be paid quarterly within 4 weeks of the last day of each calendar quarter
MO	Distributions will be paid monthly within 4 weeks of the last day of each month
